Stand 11.06.25

As an Erasmus+ student, you will need the following documents:

1. filled in **Matriculation Application** (see below for instructions)
2. **Letter of Acceptance** (available for download from June 15/30 November on Mobility-Online: “Display application workflow” / “Before the Mobility – Admission”)
3. **Proof of a German health insurance provider** – it is an electronic receipt sent to the Registration Office by your German health provider (further information below)
4. **Receipt of the payment of the current social fees** (further information below)

✓ **Proof of a German health insurance provider** Please obtain a certificate for your foreign health insurance from a German health insurance provider or take out health insurance from a German health insurance.

If you have a “European Health Insurance Card” (EHIC) or another insurance valid in Germany, **you do not need to apply for additional** insurance in Germany. You can be exempted from compulsory insurance, but the exemption must be confirmed by a German insurance provider. You can do so by contacting any statutory health insurance provider. Providers in Freiburg are, for example, the AOK (Student service conveniently located next to our offices) the Techniker Krankenkasse, or the IKK.

- **Online:** If you are not yet in Germany, you can apply for the exemption from the health insurance providers by e-mail. To do this, send a scan/photo of your EHIC (front and back) and your letter of admission to a statutory health insurance company in Freiburg and ask for electronic transmission ("Meldegrund 10"/M10) to the University of Freiburg. Please do not request the transmission until you have received your letter of admission. You will generally not receive confirmation that the health insurance company has sent the electronic confirmation to the university. You do not have to wait for a confirmation by the Registration Office, and simply assume that the M10 was received.

- **In person:** Take your EHIC to a statutory health insurance company in Freiburg and ask for electronic transmission ("Meldegrund 10"/M10) to the University of Freiburg. You will not receive a paper document; the health insurance company will send the necessary information directly to the University of Freiburg.

- You can pay with an EC card (girocard) directly at the Registration Office. Cash payments or payments with a credit card are not possible.
